

SCULPIN

INDIA PALE ALE

Our Sculpin IPA is a great example of what got us into making beer in the first place. We wanted to see how an ale hopped at 3 separate stages of the brewing process would taste. The inspired use of hops in this gold medal-winning IPA creates hints of apricot, peach, mango and lemon, but still packs a bit of a sting. Just like a Sculpin.

ABV: 7% | IBUs: 70 | Best Served at 55° F
